THE COMMITTEE ON THE BIBLE CAUSE RESPECTFULLY REPORT:—

That in view of the recognized importance of the Bible Cause, and of the position of this Conference, and of our Church to it as a fundamental and cherished interest, there should be greater exertions by ministers and lay members of the Church in aid of the circulation of the Divine Word. And the Committee respectfully asks this Conference to recommend to our Church Conferences, the appointment in each congregation, of some suitable person—male or female—to search for and report destitutions, with a view to their supply.

Your Committee also recomend that each pastor be requested to present the Bible Cause in detail, once every year, to each Church under his care; and in this connection your Committee would express, with emphasis, their regret that so few of the preachers comply with the oft repeated desire of the Church, to take up, annually, a collection for this cause.

In conclusion, your Committee offer the following resolution:

RESOLVED, That this Conference cordially renews its commendation of the American Bible Society, and of its auxiliaries; that it rejoices to hear of its success, by the Divine favor, in the prosecution of its great aims, and regarding it as an invaluable aid in the work of the Church, again asks the co-operation with it, its auxiliaries and agents, of all our people.

Respectfully submitted: J. T. GIBBS, Chairman.

THE REPORT OF COMMITTEE ON EDUCATION.—No. 1:—

The Committee on Education have had under consideration a paper referred to them by the Conference, from the Trustees of Davenport Female College, setting forth, in substance, the following facts, to-wit:

That the action of the last Conference authorizing said Trustees to dispose of the property to a Joint Stock Company, could not be complied with, for the reason that the Deed vesting the title of said property in the Conference, for the benefit of the Church, expressly provides that it shall never be alienated from this Conference ownership, Also, asking the Conference to assist the Board of Trustees to the amount of $2,500 to complete the College building burnt a few years ago, and now in process of re-construction.

Your Committee therefore recommend that the action of last Conference in this regard be, and the same is hereby rescinded.

Your Committee take pleasure in saying, as expressing the sentiments of this Conference, that we heartily sympathize with the Trustees and friends of Davenport Female College, in their efforts to have a good school in their midst; and sincerely regret that at the present we are not in a condition to render them the desired aid. They have struggled under difficulties, and have deserved success, while we have been compelled, by our peculiar circumstances, to stand by and witness their efforts without the means of rendering efficient assistance. We trust the day is not far distant when we can give to Davenport Female College, and all our institutions of learning, something more and better than our good wishes. Respectfully submitted: E. A. YATES, Chairman.

The Committee on Sunday Schools submitted their report. The report was adopted as follows:

THE COMMITTEE ON SUNDAY SCHOOLS BEG LEAVE TO REPORT:—

We recognize the Sunday School as one of the great auxiliaries of the Christian Church. It may justly be considered as a large factor in the religious work of the age. A hundred years ago, it was not so. It is hard to realize that this grand movement, with its millions of ardent followers, and vast outlay of expenditure, is of such recent origin.

The year 1880 is memorable, as being the Centennial of Sunday Schools. In just respect to this fact, an International Convention has been held in London, made up of delegates from all denominations in all parts of the world. This Convention gave a fresh and strong impulse to the special work that called them together, and was characterized throughout by great catholicity of spirit, and brotherly love, that culminated in a delightful communion meeting, held in the Metropolitan Tabernacle—Mr. Spurgeon's church.

We desire to impress each member of this Conference with his obligation to work heartily and efficiently in this promising field.

Some of our schools are doing all that could be expected while many others are lagging behind, and afford vast room for improvement. The minister or layman, who pays special attention to Sabbath Schools, and who labors to build up this enterprise, is sowing seeds that will produce a sure harvest in the immediate future, and is laying a broader and stronger foundation for the prosperity of our Zion, when he shall have passed away.—The main work of those who love Jesus is to save souls, and he who labors intelligently and prayerfully in training children for God, will realize great success, and secure His approbation who said, "Suffer little children to come unto me," while on the other hand, he that neglects this work or remands it entirely to others, will have to answer to a fearful account in the Great Day.

It is a fact to be deplored that so many Christian men and women do not attend the Sunday School. All who can do so, ought to be enrolled as members of the school, and as teachers or students in Bible classes, co-operate in the work. The Sunday School is not an unimportant thing—for children merely—as some would have it; but demands the presence and prayerful help of every Christian who can jointly attend. What a glorious sight if it could be so, to see the Church of Jesus Christ throughout the world, every Sabbath assembled, the aged and the young, to receive instruction in Bible truth. This country is full of men, women, and children that never darken the door of a Sunday School.

Let us labor to bring them in, and perhaps a song, or prayer, or some precious truth gathered from the lesson may be the entering wedge that shall separate them from a life of sin, and save them at last in Heaven.

We are glad to know that in some of our schools, Children's Missionary Societies are formed, and the little ones are trained in the blessed work of contributing to Foreign Missions. We call special attention to the fact that all needed helps for this work are furnished by our Publishing House at Nashville, and would commend the Sunday School Magazine," "Lesson Quarterly," "S. S. Visitor," "Our Little People," and the "Infant Class" as being specially adapted to the wants of our people. "The Gem," "Amaranth," and "New Life" are song books full of beautiful music, and should be introduced in all our schools.

Brethren, let us not be discouraged in our work. There is much to make our hearts sing for joy when we review this field of Christian effort, the millions who have been saved by the Sunday School, and then think of the proportions this work will assume a hundred years to come, and let us to day, as Christian men, resolve, by the help of God, to labor as we never have before, to bring all the children to Christ; and in the language of Dr. Punshon, in his eloquent speech at the London Centennary: "Let us go on and on through the bright succession of the suns, till they who have sown the seed shall reap the corn, and having reaped and garnered, bring the plow, and draw new furrows 'neath the healthy morn, and plant the bright hereafter in the now."

We recommend that the pastors and superintendents be instructed to use our Catechisms regularly in all our Schools.

GEO. F. ROUND, Chairman.

The following resolutions were adopted :

WHEREAS, brethren Henry and E. J. Lilly, members of the Hay St. M. E. C. South, Fayetteville, have during the current year built a most attractive and comfortable Sunday School Chapel, at a cost of $2400, and presented the same to our Conference;

Therefore Resolved, That the thanks of this body are due, and are hereby tendered to these brethren beloved, for this practical exhibition of liberality and substantial expression of devotion to the great interest of the Church.

Rev. John W. Wellons, D. D., fraternal messenger from the North Carolina and Virginia Christian Conference, was introduced, and addressed the Conference with a kindly, christian greeting.

The Advisory Committee on the debt of Trinity College, submitted their report, which was adopted as follows :

Dr. B. Craven has raised during the year—	
Cash, and Bonds and Pledges	3,250 00.

The Committee on Temperance read their report, and after full discussion, was adopted as follows:

WE, YOUR COMMITTEE ON TEMPERANCE, BEG LEAVE TO REPORT THE FOLLOWING:—

WHEREAS, The sale of alcoholic liquors, as a beverage, is not, in any sense, necessary to the well-being of society, but is on the contrary, productive of a great deal of moral and social evil; educating the youth of our land down to drunkenness and other vices; producing poverty and crime throughout the country, and such moral obliquity as greatly retards the progress of the cause of Christ.

And Whereas, moral suasion is inadequate to the removal of this incubus from society, because there are those in every community who will visit the open saloon, and induce others to do likewise, thereby perpetuating patronage and consequently the traffic.

And Whereas, legal prohibition is being resorted to in other States and in portions of this, and is found to be the most effective means that has ever been adopted for the extirpation of intemperance; Therefore,

RESOLVED 1. That we, the North Carolina Conference of the M. E Church, South, in annual session assembled, do hereby respectfully memorialize the Legislature of North Carolina, at its next session, to enact a law prohibiting both the manufacture and the sale of alcoholic liquors as a beverage, within the bounds of this State.

2. That we, the members of this Conference, do pledge ourselves, to use all proper efforts to circulate petitions, and procure signers to the same, said petitions to be forwarded to some person to be designated by this body, whose duty it shall be to present them, together with a certified copy of this action, to the Legislature aforesaid.

The special Committee on Church Extension reported, and their report was adopted as follows:

REPORT OF COMMITTEE ON CHURCH EXTENSION:—

The committee to whom was referred a paper from the South Georgia Annual Conference, on Church Extension, have carefully considered the same, and beg leave to submit it as their report. W. S. BLACK, Chairman.

SOUTH GEORGIA ANNUAL CONFERENCE, Perry, Ga., Dec. 15th, 1879.

The Committee on Church Extension, appointed at the last Annual Conference, beg leave to submit the following report:

Your Committee is profoundly impressed that some movement, looking to Church Extension, ought to be inaugurated by the Methodist Episcopal Church, South. Such a movement has been put into successful and practical operation by several other Evangelical Churches, and notably by the Wesleyans of Great Britain and Ireland, and the Methodist Episcopal Church of these United States. By Church Extension Societies, they have aided weak Churches to build houses of worship adapted to the wants of the places where they were respectively located, and have builded others where they were greatly needed and the people too poor to build for themselves. In this way Churches, Methodist and others,

who have tried the plan, have greatly enlarged their borders, and strengthened themselves in communities where they respectively needed strengthening. We are satisfied that much has been lost to our Church because a similar plan has not been adopted by us.

But something in this direction has been done by our Church in our missionary fields, and, as we are told, with good results. Our Mission Board has expended money in building houses of worship where it has established missions. In this way, it is claimed, whatever has been given was wisely appropriated. Indeed, the houses of worship which we have erected in our mission fields were absolutely essential to success.

Now, the same kind of aid which has effected so much in our missions proper, will do much to build up our Church in other places not properly missionary ground. Besides, too, such aid is especially needed in our own borders, where thousands have already been expended, and thousands more will be expended to strengthen those who are seeking to supplant us. If we awake to the dangers which threaten us, we will awake to the importance of helping our weak and building up our waste places.

By this means, we not only strengthen ourselves against encroachment upon our work at home, but enable our Mission Board to send more laborers into our missions abroad. For, if money raised for Church extension be money raised for aiding the building of mission Churches abroad, as well as weak Churches at home, much will be saved to our Mission Board that may be appropriated to the support of more laborers "in the regions beyond."

Your Committee is persuaded that this will be the result. We are convinced that a Church extension movement will not diminish our missionary collections. We believe that, in a very short time, our missionary collections will be largely increased by the Church extension movement. For this movement will soon increase the number of self-sustaining Churches at home--Churches not only able to support themselves, but to give to the cause of missions. This result we believe, has been witnessed wherever the Church extension plan has been employed. The Church extension policy of the Wesleyans and the Northern Methodists has not taken a dime from their respective missions. Where the most has been contributed for Church extension, there the most has been given for missionary purposes.

Your Committee, however, after careful consideration of the subject submitted to us, does not deem it advisable to recommend any plan of Church extension for our adoption at this time. But while this is so, we do earnestly advise that the initial step in this movement, be taken by the adoption of this report, in hope that, if adopted by this Conference, the attention of our sister Conferences and our next General Conference will be called to it.

All of which is respectfully submitted: J. O. A. CLARK, CHAIRMAN.

The following resolution was adopted:

Resolved, That a Committee of five lay and five clerical members of our Church, be appointed to consider and report at next Conference, some plan by which our ministers, who, by long service in the Conference, have become inefficient, may be better provided for and rendered comfortable when age or infirmities rest heavily upon them.

The Committee of Investigation, in the complaint of Wm. Closs against F. L. Reid, submitted their report, which was adopted as follows;

REPORT OF INVESTIGATING COMMITTEE:—

The Committee to whom was referred the complaint of the Rev. Wm. Closs, D. D., against the Rev. Frank L. Reid—both being members of this Conference—have had the same under consideration, and beg leave to submit the following as their Report:

The Complaint of Dr. Closs against Bro. Reid was of such a grave character, the Committee at once determined to give the matter as thorough, and as impartial an investigation as was in their power to do.

The accuser and the accused, with several witnesses on each side, and documents to the number of nearly 40, were before the Committee for at least ten hours, and the investigation was permitted to take a very wide range, so as to elucidate every feature of the case, and then the parties were allowed full time to array their testimony and bring from it every shade of meaning possible. Your Committee then took the case, and after a prayerful and careful deliberation, reached the unanimous conclusion that there was not the slightest ground whatever upon which they could found a bill of charges against the Rev. Frank L. Reid—the accused. They therefore take the greatest pleasure in moving that his character be now passed.

DAVID R. BRUTON,
THOMAS W. GUTHRIE, } COMMITTEE.
T. A. BOONE,

F. L. Reid then passed the annual examination of character.

The following resolutions were adopted :

The Conference Board of Missions passed the following resolutions :

Resolved, That each Missionary in charge of a Mission in this Conference, shall be required to make a written report to this Board on the first day of the Conference, of all matters of material interest to his Mission.

Resolved, That this resolution be read in open Conference, and published in the Minutes.

Question 30, was called.—"Where shall the next Session of the Conference be held?"

Durham and Raleigh were nominated. Durham was selected.

The Committee on Education presented their report, No. 2, which was adopted as follows :

REPORT OF THE COMMITTEE ON EDUCATION—No. 2:—

TRINITY.

Your Committee ask leave to say, that the report of the President of Trinity College shows that Institution to be in a fair state of prosperity. There is no sufficient reason as to why the only Male College belonging to us, in the State, should not be, in all its appointments, first-class. Doubtless, the pecuniary difficulties which have, for years, environed the Institution, may be chargeable with much of its slow and unsatisfactory advancement. But we rejoice with the Conference and the Church in North Carolina that, by the labor and management of Dr. Bobbitt, the Agent during the past year, means have been provided for the payment of the debt; and we hope and believe that a better day has not dawned, but is well on in its brightness, when the College shall rise to the full measure of its strength in spreading sanctified education over these lands.

GREENSBORO COLLEGE.

Your Committee have had, with regard to Greensboro College, but little light or facts to make their report more than a mere formality. The annual report of the President, Dr. Jones, exhibits the gratifying fact that the present session of the Institution is a decided success—better than for many years; and doubtless, if the terrible incubus of debt could be removed from the College, it would, under the splendid scholarship and management of Dr. Jones and his very able faculty, spring forward in a career of usefulness that would gladden the hearts of the Church, and all the friends of female education.

Your Committee suggest that the following be, and are hereby appointed an Advisory Committee to act in concert with the Executive Committee of the Board of Trustees, in devising some way of saving the College to the Church, to-wit: F. C. Bobbins, W. F. Kornegay, J. S. Carr, J. B. Bobbitt, and E. A. Yates.

Respectfully submitted:

E. A. YATES, Chairman.

The Committee on Books and Periodicals reported, and the report was adopted as follows:

REPORT OF THE COMMITTEE ON BOOKS AND PERIODICALS:—

Your Committee have carefully considered the interests referred to them, and beg leave to submit the following Report:

RESOLVED, 1. That we are gratified to learn from the report of the Publishing House, submitted for our consideration by the Agent, Dr. J. B. McFerrin, and approved by the Book Committee, that the plan adopted by the late General Conference, is so successful.

That the business of the House has so increased, as not only to meet all current expenses, keeping building and machinery repaired, increasing the insurance, but to furnish in cash $25,000 toward meeting former debts.

2nd. That the success of the past year ought to so inspire the hope of the Church as to cause every pledge to the 4 per cent. Bonds soon to be met.

3rd. That we increase the patronage of the House by disseminating more extensively its excellent literature, contained both in books and periodicals.

4th. That we call especial attention to the Sunday School periodicals so ably edited and so beautifully printed.

The Nashville Advocate, the organ of the General Conference, edited by Dr O. P. Fitzgerald, that is so popular wherever introduced, and is doing so much to tone up the spiritual and temporal interests of the Church.

The Advocate of Missions, the organ of the Missionary Board, edited by the Missionary Secretary, Dr. A. W. Wilson, and The Woman's Missionary Advocate, the organ of the Woman's Missionary Society, edited by Mrs. Frank A. Butler, are happy accessions to the Advocate family, and are reaching the heads, the hearts, and the purses of the Church, to such an extent that we may hope for a brighter future.

The Quarterly Review, edited by Dr. T. O. Summers, and published by a Committee of the General Conference, meets a demand for the more cultivated, and ought to be read by all those who are seeking a higher culture in the literature of the Church.

RESOLVED, 1st, That we are gratified at the improvement made in the Raleigh Christian Advocate during the past year, and are happy to learn from a communication laid before us by its Editors, that its circulation has increased, and with their renewed pledges made through us to the Church, that they will continue their efforts to make it still more worthy of the confidence and support of the Church in North Carolina, that we most heartily endorse and continue it as the organ of our Conference.

2nd, That we do more to develop the talent of the Church, in writing for our paper, and circulating it among our people.

3rd, That we request the Bishop to re-appoint the Rev. W. S. Black and Rev. F. L. Reid as Editors of the Raleigh Christian Advocate.

RESOLVED, That Dr. H. T. Hudson be appointed to draft a memorial to the next Legislature to repeal the law of the last Legislature imposing a tax upon the sale of religious books.

L. L. NASH, Secretary. R. S. WEBB, Chairman.

J. J. Renn was appointed Conference Sunday School Secretary.

The Committee on Church Property presented the following report, and the report was adopted.

WE, YOUR COMMITTEE ON CHURCH PROPERTY, BEG TO REPORT THE FOLLOWING:—

We are gratified to find a large increase in the amount raised for building and repairing Churches. Raised in 1879, $37,628.74. Raised in 1880, $63,686.21, showing an increase of $26,057.47.

From the reports made to this Conference, there seems to be a decided improvement in the style and quality of Church buildings.

We are glad to report that our people are waking up to the importance of having large and comfortable Churches, so that Divine worship and Sunday Schools may be continued during the whole year: and your Committee would respectfully urge upon preachers and people, as soon as possible, to finish all Churches on their several charges. And we would respectfully suggest that no Church ought to be dedicated until it is ceiled, or plastered, painted and paid for.

We find that in 1879, there were 762 Churches. We have now 783, showing an increase of 21. While we find some increase, still there are a large number of charges without parsonages; we would, therefore, respectfully urge both preachers, and people to see to it that every charge has a comfortable and convenient parsonage, and as far as practical, to have with it three or four acres of land. Therefore:

RESOLVED, That all pastors keep these important interests before their people, and take such steps as will accomplish the same.

Respectfully submitted: J. J. CARDEN, Chairman.

The hour having arrived for the Memorial Services, the exercises were introduced by reading the Scriptures and singing, conducted by the Bishop. The Bishop and several members of the Conference made remarks touching the life, character, services and death of Bishop David S. Doggett.

The following resolution was adopted:

WHEREAS, it has pleased God to remove by death from the Church below to the Church in Heaven, that eminent servant of God, Rev. David S. Doggett, Bishop of the M. E. Church, South; we do hereby express our admiration for his talents, and usefulness, and deep piety, and a sense of the great loss to our Church.

Resolved, That a copy of this resolution be transmitted to the wife and family of the late Bishop Doggett, also tendering the sympathy of this Conference.

R. O. BURTON,
B. CRAVEN.

The following Memoirs were then read, and after many touching remarks by the brethren, were adopted.

In Memoriam.

REV. ISHAM H. HILL.

Rev. Isham H. Hill, son of the Rev. Micajah Hill, was born in Randolph county, N. C., in the year 1823, and joined the North Carolina Conference at Raleigh, A. D., 1853. He filled the following appointments, to wit: Montgomery, Straits, Portsmouth, Ocracoke and Hatteras, Neuse, Trent, Beaufort Station, Swift Creek Mission, Mattamuskeet, Topsail, Uwharrie, and Frankville, when he was returned to Mattamuskeet. While on this Circuit his health failed, and at the ensuing annual Conference he was placed on the supernumerary list. For a number of years he sustained this relation to the Conference, but his health growing worse, he was superannuated by the Conference at its session in Salisbury, N. C., in the year 1877.

Bro. Hill was happily married to Miss Eugenia Wahab, of Hyde county, in 1859, who, with a married daughter, survives him. He was a good man, and most appreciated by those who knew him best. He closed a life of usefulness and suffering on the 7th day of May, 1880, at his home near Sladesville, N. C. He displayed very great patience and resignation during his last illness, and died confidently assuring his friends of his readiness, through Grace, for the home of the blest in Heaven.

REV. WM. D. LEE, M. D.

Rev. Wm. D. Lee, M. D., was born in Union county, S. C., Nov. 17, 1833; joined the M. E. Church, South, in 1851; obtained religion 1854; was licensed to preach in 1864, and joined the S. C. Conference at Cheraw, 1869; was transferred to the N. C. Conference in 1870, in which he remained, a faithful, earnest, and useful minister of Jesus Christ, till his death, which occurred in Shelby, N. C., September 20th, 1880. In 1870, he was appointed to Lincolnton Circuit; 1871, and '72, Rutherford; 1873–'74–'75 and '76, Pineville; 1877, he was supernumerary; in '78, he was appointed to Concord Circuit; 1879, to Shelby and Kings Mountain, where he labored faithfully till about the first of September, when he was taken sick, from which he lingered about two weeks, and passed over the river, to join the ransomed gone before. His reason, at times, was entirely dethroned, for several days previous to his death; yet in his lucid moments, he gave unmistakable evidence of his strong faith in God; would get happy, and shout God's praises. In the family, he was firm and affectionate; in the social circle, genial and pleasant; in the pulpit, faithful and efficient; in all the relations of life, he was possessed of the deepest humility. He had a poor opinion of himself, yet he was a great man. In fact, Dr. Lee was no ordinary man, for he was full of power, and the Holy Ghost; an excellent preacher, his preparations for the pulpit were thorough. He analyzed, compared and expounded Scriptural truth, as if always impressed with the divine injunction: "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth;" consequently, he gave each their portion in due season. In his pulpit efforts he labored not to tickle the ear, or please the fancy, with high sounding words or rhetorical flourish, falling like the perfect concord of harp strings, softly touched with delicate fingers;—but in obedience to the divine command, with clear conceptions of Divine Truth, and aided by the Divine Spirit, he unsheathed the sword, and lifting it in the face of the enemies of the Cross, demanded their surrender in the name of his Master, and "praying them in Christ stead be ye reconciled to God." Some of his last sermons were, perhaps, the most powerful of his life, for they left their impress upon many hearts and minds. His heart was in the work; he loved to tell of Gethsemane's Garden, and a Saviour's Cross; a bleeding victim, and a risen Prince; of consequent death, and a vacant grave; of a victor's wreath, and a monarch's crown, worn by ransomed Spirits in that Heavenly land. Like the great Apostle, he gloried in nothing, save in the Cross of our Lord Jesus Christ. He had a desire to go fresh from the field of conflict

to glory when his earthly pilgrimage ended, and so he did. Only two weeks before his death, he preached his last sermon at Kings Mountain, and while proclaiming the Truth of the Gospel, from his favorite text, "For me to live is Christ, and to die is gain," he became very happy, and appeared to stand just between two worlds, with his face lit up with a Heavenly smile, as if to say, like St. Paul, "I am in a strait betwixt two, having a desire to depart and be with Christ." No doubt then he realized more than a mere foretaste of Heavenly joys, as he was standing so near the Pearly Gate of the Eternal City, and almost in hearing of the rippling of the crystal stream, and the melody of Angel harp-strings, softly touched with Heavenly fingers. Hearing him shout God's praises then, was akin to hearing Angels whisper, and seeing his face while in such ecstatic joy, was like catching a glimpse inside the veil and beholding the scenes that enrapture immortal vision.

But, Dr. Wm. D. Lee is gone—

"The voice at midnight came; he started up to hear;
A mortal arrow pierced his frame: he fell; but felt no fear."

REV. IRA T. WYCHE.

Rev. Ira T. Wyche, the subject of this sketch, was born in Brunswick County, Va., in the year 1816, and died at LaGrange, N. C., in the month of October, 1880, and was sixty-four years old.

His parents, James and Amelia Wyche, were both members of the Methodist Episcopal Church, and trained up their children in the fear of God. They removed to North Carolina and settled in Granville County, where they raised up a numerous family of children.

The religious training of Ira T. Wyche, led him, in early life, to embrace religion and join the Methodist Episcopal Church. He was blessed with the advantages of a liberal education, and while young his mind was deeply, impressed that it was his duty to preach the Gospel.

At the age of twenty-one years, he entered the traveling connection of the Methodist Episcopal Church, and was received into the North Carolina Conference on probation at its first session, which was held in the town of Greensboro, N. C., in the year 1838. He stood his annual examination four years, with credit to himself, and became a full member of the Conference. Bro. Wyche was acceptable and useful in his various fields of labor as a pastor, and also as a minister of the Gospel; he had many seals to his ministry. He traveled circuits, filled stations, was Presiding Elder for several years, and was, at one time,

Agent for the American Bible Society; he was also Secretary of the Conference for several years, and in all these relations he was acceptable and useful; he was literally a man of one work, and that work was to do good, and to save souls.

At a suitable age he was happily married to Miss Martha Pierce, of Halifax County, N. C., an amiable Christian lady. After the year 1850, he filled the following appointments, viz: New Berne Station, 1 year; Person Circuit, 2 years; Rockingham Circuit, 1 year; Presiding Elder on the New Berne District, 4 years; on the Washington District, 4 years; on the Salisbury District, 4 years; Henderson Circuit, 2 years; Forsythe Circuit, 1 year; Bible Agent, 2 years; Roanoke Circuit, 2 years; Robeson Circuit, 2 years; and Albemarle Circuit, 2 years.

At the N. C. Conference, held last year, in the town of Wilson, N. C., he was appointed to LaGrange Circuit. On this charge he labored in feeble health, until the month of October, when his trials on earth were suddenly ended by death.

He retired to bed in usual health, and on retiring, remarked to his wife, "that he would have a comfortable night's rest;" but he was found dead the next morning! having slept the sleep of death.

Thus passed away from the toils of earth, to the joys of Heaven, a good, and holy man. He was a faithful pastor, a good preacher, and an able expounder of the Holy Scriptures. He went in and out before his brethren of the N. C. Conference for the space of forty-three years—his character was unblemished. He leaves a bereaved widow and children, and his brethren of the Conference to mourn their loss; but they have one tie less to bind their affections to earth, and one cord more to draw their souls to Heaven.

"Servant of God well done! rest from thy loved employ;
The battle fought, the vict'ry won; enter thy Master's joy."

HARRIS'

CRAYON PORTRAITS,

From Small Pictures.

I would respectfully announce that I am now prepared to execute PORTRAITS in Crayon, enlarged to any size, from any kind of Small picture. The trouble of a sitting is thus obviated, and an elegant and life-like Portrait obtained.

Almost every one has a small favorite likeness of himself which he would like to see enlarged and give pleasure to himself and friends.

Old Daguerreotypes even can be copied, and the Portraits of deceased friends thus made to adorn and beautify our homes. Have the enlargement made before the white specks, which so soon gather on the plate, shall have de2troyed the likeness, and the image of the loved and lost be forever gone.

These Crayon Portraits are finely finished yet bold and life-like. Defects in small pictures are done away with, and the beauties magnified with a wonderful degree of accuracy.

As there is no chemical action in making these Portraits, there will be no fading, and they will always remain bright and beautiful.

The Life-Size Crayons are furnished in a fine frame at $20; Half Size, $15; 12x6 $12; 11x14 $10; 10x12, $7; 8x10, $5.

The Finest Portraits are thus placed in the reach of all who desire Portraits of themselves or their friends.

Respectfully,

EUGENE L. HARRIS, Artist,
Chapel Hill, North Carolina.

THE

University of N. Carolina,

AT CHAPEL HILL,

OFFERS TO STUDENTS THREE GENERAL COURSES OF STUDY, EACH EXTENDing over four years, and leading to a degree.

The Classical Course is essentially the old College Curriculum, with, however, more Scientific and English Studies. The Scientific Course excludes Latin and Greek, and covers a wider range in English Studies, and the Sciences. The Philosophical Course is a mean between these two, presenting a choice between Latin and Greek. Special Courses of Study, leading to certificates and diplomas, are provided in Mineralogy, Chemistry, and other Sciences relating to Agriculture. The Scientific instruction is given largely by means of practical work in the Laboratory and in the Field, according to the best methods. Surveying, Book-Keeping, and Stenography are taught practically and theoretically. Schools of Law, Medicine, and Pharmacy are connected with the University.

Total Annual Expenses, including Tuition, $170 to $230.

The next Term begins January 3, 1881. Address,

Hon. KEMP P. BATTLE, LL.D., Pres't.

The manufacturers of the above goods have made this offer solely for the reason that there are influences at work to interfere with the free sale of these old established manures in the State of North Carolina, through the ordinary and legitimate channels of trade:—They are determined that those farmers and planters of North Carolina, who want to buy these goods, and have confidence in them, shall have the opportunity of doing so, without fear or favor, at lowest possible prices—and upon a plan which compels them to pay no profit to an intermediate party. This offer is made only to the Farmers and planters who intend to use the goods themselves, and is strictly limited to those who live in the State of North Carolina. Send orders to
